

B-PLAN (KRAYA VIKRAYA)

(March 31, 2019)

Organizing Parties: IEEE Student Branch IITA with support of Computer Vision And Biometric Lab.

About the Event: This event was organised to help the budding coders present in this world with plethora of areas and domains to work on and plenty of opportunities. The idea was that the participants bring their bag of solutions to solve the real world problems of industries and bring their business plan for the project. This will not just need the knowledge of the technical world but the skills of a manager too. This event was kept open to both the management as well as the engineering students. It witnessed a large number of enthusiastic would-be entrepreneurs with remarkable ideas and innovative and practical b-plans. There was a good amount of participation from some other colleges as well. It had an online round first followed by the onsite round at IIT Allahabad on this day.
