

IEEE MEMBERSHIP DRIVE

(March 27, 2019)

Organizing Parties: IEEE Student Branch IIITA with support of Computer Vision And Biometric Lab.

About the Event: A membership drive was organized by IEEE-SB-IIITA on 27th March 2019. It was hosted by the present members of IEEE-SB-IIITA, namely Sarthak Sengupta and Anandita Dhawan. Taking into consideration the deadline (31st March) for 50% discount on the IEEE Membership, we tried to guide the attendees on how and why they should avail this wonderful opportunity. We had around 35 participants from all degrees and branches of the Institute and it was an amazing session where we brainstormed about the various benefits of IEEE Membership and being a member of IEEE in general.

Many topics like IEEE Spectrum, IEEE Xplore, IEEE Collaborate, IEEE TV, IEEE Journals, volunteering opportunities in IEEE conferences and competitions were discussed and their importance was put forward before the students. At the end, Punit Singh, ex-Chairperson of the Student Branch also told about how we can apply for a yearly grant on projects and about the insurance plans by IEEE. We also had a splendid QnA session at the end over some snacks.
