

**IEEE SB IITA Women's Day 2019**  
**(March 8, 2019)**

Women are indeed the real architects of the society and to be grateful for their numerous efforts, every year we celebrate International Women's Day on 8th of March. IEEE-SB-IITA decided to do just that and thank our female faculties for being their amazing selves and for the uncountable and excellent contributions they have made. The celebration was graced by our guests, namely, Dr. Rekha Verma, Dr. Pooja Mishra, Dr. Niharika Sharma, Dr. Nidhi Mishra and Dr. Pragya Singh, Dr. Rajat Singh and Dr. Akhilesh Tiwari. It started with a very beautiful session where all the female faculties enlightened us with their beautiful journey of being amazing women. They all gave us beautiful insights into their success stories, the hardships they had to face being women in a male centric society and otherwise, and how they have been bringing in the work-life balance, etc. It was some golden words of advice which years of experience spoke and hence, was worth-cherishing. Afterwards, we also had an informal session of some fun games and those smiles and that enjoyable atmosphere is really worth-remembering. We had cake-cutting ceremony after this. Celebration of womanhood marked the evening and the cake-cutting was a wonderful addition to that. After this, Dr. Akhilesh Tiwari also spoke beautifully on the importance of celebrating Women's Day. Later on, Dr. Rajat Singh and Dr. Akhilesh Tiwari felicitated the female faculties, with flowers. The evening ended with a group photo and everyone chatted over some snacks. It was overall a thoroughly enjoyable and memorable evening.
