

Report on IEEE SB IITA Technical Quiz (08-09 Nov 2014)

A technical quiz was successfully organized by IEEE Students Branch IIIT Allahabad with the approval of the IEEE Uttar Pradesh section. The event was initiated with the call for participation at November 5th 2014. The main aim of this event was to provide a platform for all students to showcase their technical talent with the global visibility. Students were required to register as a team with the size of maximum two members per team or solo as per individual choice. A total of 165 teams participated in the first day of quiz on November 8th 2014. The quiz was started with a motivating presentation consisting of the benefits of IEEE Student membership which was presented by branch office bearers and mentors to extend the awareness within the student community. First round of quiz was consisting of the various types of written multiple choice questions from the area of logical reasoning, coding (C), IEEE, Electronics and General Sciences. A total of 26 teams out of 165 were promoted for the next round. In the second round on day 2 (i.e. November 9th 2014), verbal questions were covered from the same subjects and finally 3 teams were announced as the winners as follows,

- 1st rank - Swapnil Saxena and Dikshant Gupta
- 2nd rank - Sonu S Yadav and Manan Jain
- 3rd rank - Harsh Sinha and Mohit Sonkar

Immense and exponential success of the event was due to the combined effort of Avinash Kumar Singh (Branch Chair), Vijay Bhaskar Semwal (Branch Vice-Chair), Shiv Ram Dubey (Branch Secretary), Vinod Kumar Jatav (Branch Treasurer), Mentors (Venkat Beri, Dheeraj Chitara, Anush Bekal, Sourabh Prakash) and Event Coordinators (Amol Upreti, Mohit Pandey, Prashant Varshney, Ekansh Katiyar, Sumit Kumar, Devansh Rajput, Sarvapriya Raj, Rajan Kumar and Namit Agrawal), under the bright supervision of Dr. Satish Kumar Singh (Branch Coordinator). The event concluded with the sole accomplishment of its motive to make students aware of their skill set and exigent situation.
